

Lino Lakes Infrastructure Survey

Colonial Woods Neighborhood

* Four surveys were submitted that did not have a neighborhood identified and are therefore not shown in the results.

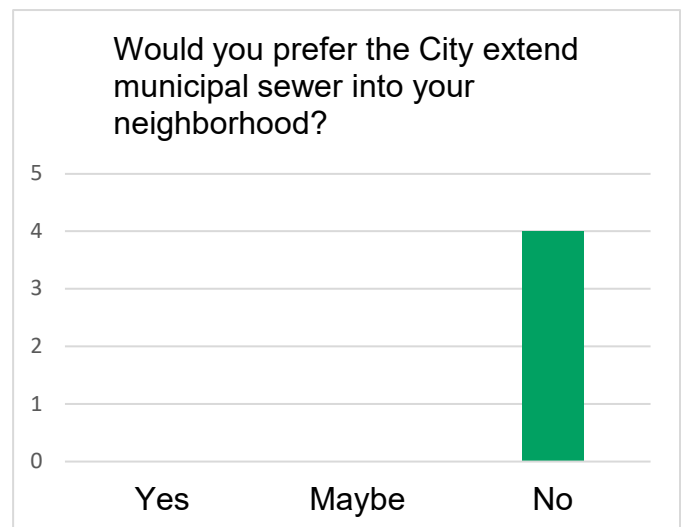

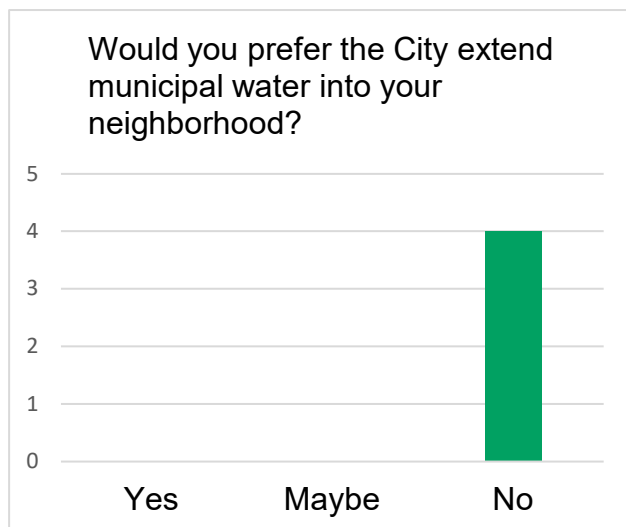

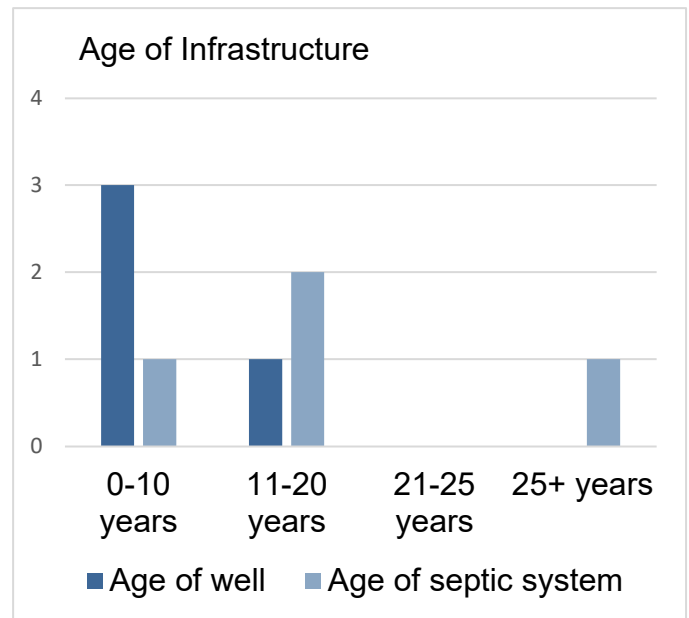

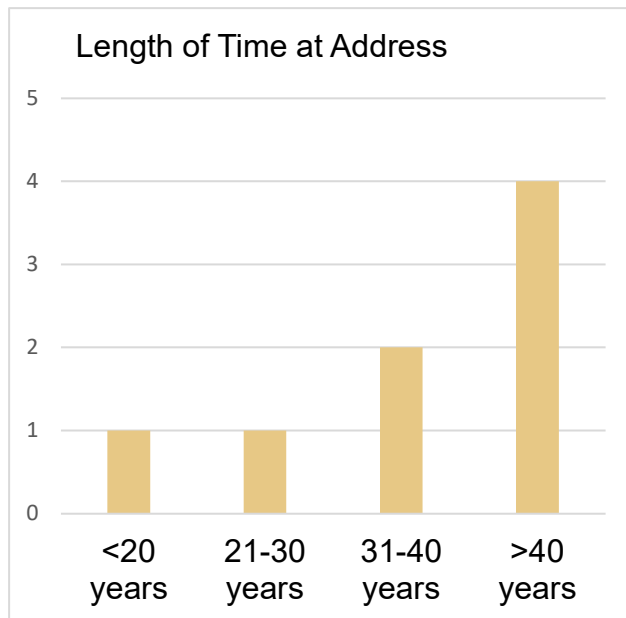

Other comments or concerns

- We are concerned about our creek and pond, and the effect of reconstruction. How will the ponds be filled up?
- Repairs to damaged driveways caused from sinking road.
- Prefer new lighting
- Yes we need a new road, but sewer and water is not necessary.
- Need to know more about assessment and cost
- Must keep well in service for watering & pool fill.
- More street lighting.
- Fire Hydrants
- Depends on cost

Lino Lakes Infrastructure Survey

Pine Haven Neighborhood

Other comments or concerns

Why not resurface the road, not reconstruct?

* Four surveys were submitted that did not have a neighborhood identified and are therefore not shown in the results.
