

Animal Classifications

Farm Animals - Any animal commonly associated with a farm or performing work in an agricultural setting. Animals include:

- equestrian family
- bovine family
- sheep
- poultry
- fowl
- swine
- goats
- bees

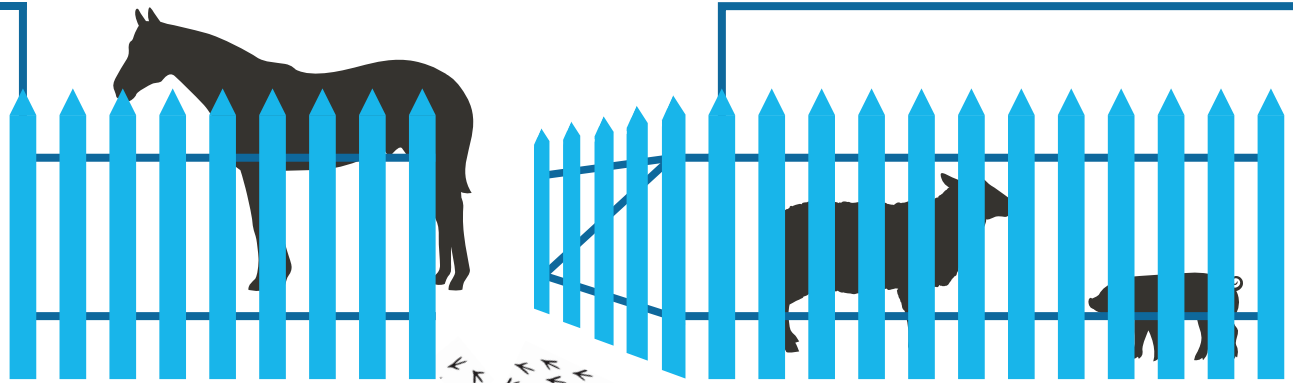

▪ other animals associated with a farm, ranch or stable.

Domestic Animals - Any animal commonly accepted as a domesticated household pet. Animals include:

- dogs
- cats
- caged birds
- gerbils
- hamsters
- guinea pigs
- domesticated rabbits
- fish
- reptiles
- amphibians

▪ other animals similar in nature may be considered domestic animals.

Wild Animals - Any animal commonly considered to be naturally wild and not naturally trained or domesticated, or which is commonly considered to be inherently dangerous to the health, safety or welfare of people.

Keeping of Farm Animals

In the City of Lino Lakes, farm animals are only permitted in rural zoning districts. These rural zoning districts are classified as followed:

- R, Rural District
- R-X, Rural Executive District

Please contact the Community Development Department to determine your property's zoning district.

The maximum amount of animal units is 300 on an individual property. No more than 1 animal unit per 2 acres. Reference the **Animal Unit** table to the right to determine your animal units.

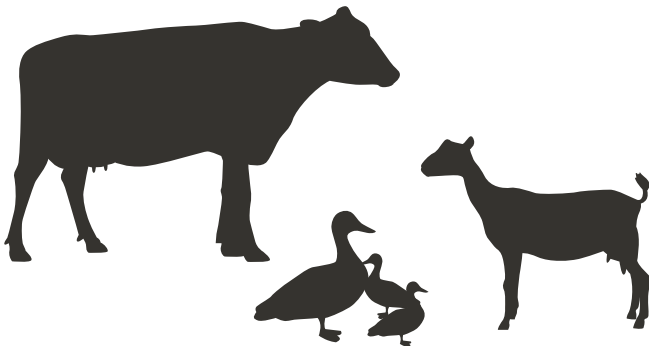

See chapter 503 of City Code for a complete listing of animal regulations.
