

DOG LICENSE

The cost of a dog license in the City of Lino Lakes is \$6.00 for a spayed female and neutered male - \$11.00 for a female that is not spayed or a male that is not neutered. Your dog's license is valid for the same length of time as the rabies vaccination. It must be renewed within 30 days after the vaccination or a \$6.00 penalty will be applied. A dog license will not be issued without proof of current rabies vaccination and proof your dog has been spayed or neutered. A dog under six months of age need not be licensed. If you should lose the tag issued, another can be purchased for \$1.00.
